

C-SPAN STUDENTCAM
Cooperative Group Structure: Project Planning

You will use this template to create your plan and research for StudentCam.

StudentCam Project: Planning

Group Member Names:

What is your topic in one or two words?

Who in your group is the editor? What qualifies them for this role?

Who in your group is the director? What qualifies them for this role?

Who in your group is the writer and researcher? What qualifies them for this role?

Explain in a thesis style complete sentence what you will research and study for your documentary?

How does this issue present a problem?

What type of solution would you propose?

What interesting facts will help support your ideas? 15-20 useful ideas (list your research here):

Who is involved in this issue? List and describe all the stake holders:

Who supports your opinions?

Who disagrees with your opinions?

Who would you need to interview? (1-2 people or more) and how do they help strengthen your argument?

Write 10 questions you could ask in an interview, (avoid yes or no questions):
